

## Price-list

This price-list defines manipulation of cargo on relation PE Kozina – Port of Koper and other handling of goods in PE Kozina. Manipulation of container includes acceptance of the container, transport, loading/unloading of goods, storage of goods, documenting (taking photos) of the arriving goods and issue of the goods (up to 4 photos), reporting faults and damages and return of an empty container.

The prices rely on standard EURO pallet up to 1 ton, otherwise we charge a ton. For pallets of bigger dimensions (over 100x100) we charge proportional extra payment according to the area of EURO pallet.

Validity of the price-list: from 2020/07/01
